Limited Review Report on unaudited financial results of ASTONEA LABS LIMITED for half year ended 30 September 2025 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the board of Directors of
ASTONEA LABS LIMITED

Report on the Standalone Financial Results

We have reviewed the accompanying statement of Financial Results of ASTONEA LABS LIMITED ("the Company"), for half year ended 30th September, 2025 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

The preparation of the Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, in accordance with the recognition and measurement principles laid down in Accounting Standard 25, (AS 25) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the statement in accordance with Standards on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review conduct above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial result prepared in accordance with the recognition and measurement principles laid down in the aforesaid Accounting Standards (AS) specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

The statement includes results for the half year ended September 30, 2025 that have been approved by the Board of Directors and have not been subjected to review or audit by us or by another auditor.

Our Conclusion is not modified in respect of the above matter.
