1. Introduction

Pursuant to the requirements set forth by the Securities and Exchange Board of India (“SEBI”) under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, **Astonea Labs Limited (“the Company”)** adopts this Archival Policy. The Policy ensures proper preservation, retention, and accessibility of records and disclosures to maintain regulatory compliance, promote transparency, and safeguard corporate governance.

2. Objective

The objective of this Policy is to establish a consistent approach for the systematic archival and management of all corporate documents, disclosures, and records that are subject to SEBI LODR and other applicable statutory laws.

3. Applicability

This Policy is applicable to all documents and records generated or received by the Company across its various departments. It covers, among other things, minutes of Board and Committee meetings, shareholder communications and resolutions, annual reports and financial statements, filings and disclosures made to stock exchanges, regulatory and statutory submissions, material event disclosures, as well as press releases and official announcements.

4. Archival & Retention Guidelines

The Company shall maintain and preserve key documents in both physical and electronic formats, ensuring secure storage in designated locations. Minutes of Board and Committee meetings will be preserved permanently in secured archives or on the Company’s servers. Annual reports and financial statements will be retained for a minimum of eight years within the corporate records room or digital repository. SEBI-related disclosures, including financial results, shareholding patterns, and material event filings, will be archived electronically for at least five years on the official website and internal servers. Shareholder notices and communications will be maintained for a minimum of five years in both physical and electronic formats within the records department. Statutory and legal filings will be preserved as required by applicable laws in the legal department.

5. Archival Procedures

- All documents and records shall be systematically archived immediately upon completion to ensure accuracy and integrity.
- Physical records shall be preserved in secure, fire-resistant storage facilities, safeguarding against unauthorized access, loss, or damage.
- Electronic records shall be maintained on highly secure servers, incorporating encryption, routine backups, and comprehensive disaster recovery protocols to ensure data continuity and protection.
- Stringent access controls shall be enforced, permitting entry solely to authorized personnel, accompanied by monitoring and accountability mechanisms to uphold confidentiality and regulatory compliance.

6. Roles and Responsibilities

- Compliance Officer: Shall supervise the implementation of this Policy, ensuring full adherence to regulatory requirements and coordinating all archival activities across the organization.
- Department Heads: Accountable for the timely submission, accurate maintenance, and proper organization of records generated within their respective departments.
- IT Department: Responsible for maintaining the security, integrity, and accessibility of electronic archives, including managing backups, encryption, and controlled access.
- Internal Audit: Conducts periodic reviews to assess compliance with archival standards, identifies gaps, and recommends enhancements to ensure continuous improvement and regulatory alignment.

7. Disposal of Records

- Upon completion of the prescribed retention period, documents may be securely disposed of only after obtaining the requisite authorization.
- The destruction process shall be conducted in a manner that ensures confidentiality, prevents unauthorized access, and fully complies with all applicable legal and regulatory requirements

8. Policy Review and Amendment

- This Policy shall undergo a comprehensive review at least once every three years, or earlier, as necessitated by changes in applicable laws, regulations, or business requirements.
- Any amendments, modifications, or updates to this Policy shall require the approval of the Board of Directors prior to implementation.

9. Disclosure and Communication

This Policy shall be accessible to all stakeholders through the Company's website and communicated internally across relevant departments to ensure awareness, understanding, and adherence to its provisions.

10. Effective Date and Approval

This Archival Policy is effective from **03rd December, 2025** and has been duly approved by the Board of Directors of **Astonea Labs Limited** on **03rd December, 2025**.

Date: December 03, 2025

Place: Panchkula

Note: Approved in the meeting dated December 03, 2025.
