Dear Sir / Madam,

Sub: Regulation 30 –Regarding Intimation to apply for Extension of AGM due date.

Dear Sir/Madam,

Pursuant to Regulation 30 of SEBI (LODR) Regulations, 2015, we would like to inform you that the Board of Directors of the company, by way of circulation, have passed the resolution today to make necessary application with Registrar of Companies (ROC), Chandigarh to grant extension of time limit by three months to convene 08th Annual General Meeting of the company.

The Company is not in a position to convene the AGM within the prescribed statutory timeline. The reasons for the delay are outlined below:

a) The Company has recently been listed on BSE. Following the listing, there has been a significant increase in post-listing compliances, disclosure requirements, and coordination with regulatory authorities. The transition into a listed entity has necessitated substantial realignment of internal processes, re-structuring of departments, and additional coordination with statutory auditors and consultants.

b) During this critical transition period, the Company Secretary tendered their resignation. The Company is currently in the process of appointing a new Company Secretary. This temporary vacancy and the delay in the assumption of duties have resulted in unavoidable delays in certain secretarial and compliance-related activities.

Accordingly, the company will make an application to Registrar of Companies, Chandigarh for seeking extension of up to three months from 30th September, 2025 (being last date by which the Company should hold AGM), to hold the 08th Annual General Meeting (AGM) of the for FY 2024-25.
